Gasco Energy Provides Upcoming Conference Schedule

DENVER—March 27, 2008 /PRNewswire-FirstCall/ -- Gasco Energy, Inc. (Amex: GSX) today announced that it will participate in two upcoming energy conferences to be hosted by the Independent Petroleum Producers of America (IPAA) in New York and by Howard Weil in New Orleans.

Gasco Energy's Chief Operating Officer Mike Decker will present at the 2008 IPAA Oil and Gas Investment Symposium in New York on Monday, April 7, 2008 at 3:45 PM EDT. Webcasting will be available for the presentation and can be accessed by logging onto <http://www.investorcalendar.com/CEPage.asp?ID=126700> around that time.

In addition, Gasco's President and CEO Mark Erickson is scheduled to present at the 36th Annual Howard Weil Energy Conference in New Orleans at 2:35 PM CDT on Wednesday, April 9, 2008. Slides from Erickson's presentation will be available at www.gascoenergy.com.
